Join our fourth session:

Driving Safely and the Road Ahead: A Conversation for Families

Driving represents independence, freedom, and identity. Retiring the car keys for safety or any other reason can feel overwhelming. Join the Caregiver Coalition in-person for this event designed to help caregivers and families approach the conversation with empathy, respect, and confidence.

Attendees will hear from subject matter expert Peggy Gannon, Certified Driver Rehabilitation Specialist with Brooks Rehabilitation. The event is free, and registration is required.

Limited respite care options will be available.
